The White House recently published its guidelines for the [2009 White House Summer Internships](#). Please consider applying, or forward this information to your friends and family if you think you know someone who might be interested.

"This program will mentor and cultivate young leaders of today and tomorrow and I'm proud that they will have this opportunity to serve," said President Obama. "I look forward to working with those that are selected to participate and I want to commend all who apply for their desire to help through public service to forge a brighter future for our country."

In addition to normal office duties, interns will supplement their learning experience by attending a weekly lecture series hosted by senior White House staff, help at White House social events, and volunteer in community service projects.

The 2009 Summer Internship program runs from May 22 to August 14, and the submission deadline is March 22, 2009.
